REB Storage Systems International Acquires Classic Modular Systems, Inc.

Chicago, IL, 8/30/2012 - REB Storage Systems International, leader in turnkey material handling systems since 1962, has announced the purchase of Classic Modular Systems, Inc. A 30-year-old company located in Cary, IL, CMS is well-known for designing custom space solutions for office and plant environments through ergonomic task furniture, workstations, modular offices, high density shelving and custom cabinets and counters.

REB President Tom Lesko says, "We are excited to start becoming involved once again in providing equipment and services for the office environment. We welcome Classic Modular Systems customers and pledge to continue providing them with the quality products and outstanding customer service that CMS has established".

Nine-year REB employee Juan Castillo Jr. will head up this new division of REB as account manager, stating, "I am thrilled to be so involved in our new division, Classic Modular Systems, Inc. The superior services CMS has established combined with REB Storage Systems 50 years of experience in the racking industry assures that customers will benefit greatly from this acquisition. I look forward to working with every customer and pledge to be a reliable source for their needs".
